Bereavement Group

Tuesday Jan 14th, Feb 11th, March 11th, April 8th
10:30 AM - 11:30 AM

At Conant Hall with Terri Agliardo

A bereavement group is a support group for people who have experienced the death of a loved one. A support group is not a therapy group, it addresses the educational aspects of the grieving process. Support groups can offer people who are grieving a supportive environment in which to work through some of their grief when, for many of them there may be a few places in their lives in which they can get this support and be themselves as they grieve.
